President's Corner

Happy 2014!!

We have included an application to make renewal easier. Please send it to Box 1345, Cicero NY or to Maureen Knittel.

Our wish list for this year includes covering the pistol range, a dish T.V. For the clubhouse, an invitational archery shoot, a fishing contest and a big buck contest.

John Hudson is looking into a rimfire league. Please direct feedback to John as he is trying to see if there is enough interest.

We had the game dinner on 12/28/2013. It was a great time and we will do it again.

Winter trap has started Saturday mornings. The club participated in "The Shot heard round N.Y." on the 11th. Will they get the message?

See you at the club,
Howard

Astronomy at a gun club?

Our club has approved the use of the grounds by the Central New York Observers (CNYO) on a trial basis off hours (ie when it's dark, and no club functions are going on).

The area in front of the trap field is a great place to stargaze because of the wide open sky and access to amenities. The first trial session in November was promising and we have discussed scheduling and logistics between clubs.

This sort of public relations can be great for the club image and show we are supporting community interests beyond gun topics. Check our club website or the CNYO website for schedule:

Oswego County Federation Promotional Video

Chuck Parker of the Oswego County Federation has asked for help in generating a video which illustrates what we do in promoting community service, safety programs, education, etc. If you have any ideas or would like to contribute please contact Chuck: aparker@twcny.rr.com
