BOD Vote Results

At the November meeting nominations were called for the board of directors. No new nominations were offered and the current board agreed to repeat their terms. Thank you to all board members for your service and agreeing to again serve in 2015.

Thanks to RSOs

Another busy season at the range has passed. Many thanks to the Range Safety Officers who were always on hand to assist and ensure safe, fun and productive shooting sessions. Also thanks to Bill Burnell who kept the gate working!

Membership Photo ID

At the previous meeting a new policy was enacted to acquire photo images for current members to allow easier identification of members vs visitors on club grounds. This will help protect the club in incidents of trespassing, vandalism or safety issues.

The membership application has been updated to require photo ID submission as part of the approval process. Current members are encouraged to provide photos for file purposes only to:

Maureen Knittel
27 Slosson Rd.
West Monroe, NY 13167

Or email submission (JPG, GIF etc)
maureenknittel@gmail.com

Please be aware of visitor activities and membership status when at the club. Thanks for your cooperation and understanding.

Kudos to Birchwood Casey

We have many members who serve our community with youth and other safety programs. When Birchwood Casey was contacted to acquire targets for youth activities, they generously donated plenty free of charge to support continued offering of these programs. Consider Birchwood Casey when shopping for your sporting needs.
