

NORTH SPORTSMAN'S CLUB

Farwell to a Friend

On May 29, 2013, the North Sportsman's Club lost a long time member and good friend when Bob Boutell passed away after a long illness. Bob was a lifetime member and spent many years participating in trap shooting events at the club.

He and wife Sharon volunteered countless hours at North Sportsman's. They were strong supporters of our club. Members like Bob are the reason why we enjoy the nice facility and events that we do today.

Bob became a member of North Sportsman's Club in 1991.

He was well known throughout the trap shooting community. He was enthusiastic about trap shooting and was always willing to lend a hand and give some helpful tips to beginners. He had an easy going personality and was a pleasure to be around.

Bob served in the US Air Force from 1954-1962. He also served in the Air National Guard. Bob married Sharon in 1963. They remained married for 48 years until Sharon passed away in 2011.

Bob was the owner/operator of Bob's Saddle and Tack Shop in Brewerton, NY. He was well known throughout Central New York for his leather working talent. Rest in peace Bob. We will miss you.

NSC Hosts 4-H Shooting Event

The Northsportsman's Club hosted a 4-H Shooting Sports Rifle Program in June. The program ran for six weeks. Six youths and their parents participated. Rick McDermott helped John Hudson with the program. The participants were from the following school districts: Mexico, Central Square, Pulaski and Oswego.

Chris Nutter also ran a shotgun program at the same time. Five youths and their parents participated. A special thanks goes out to Henry Gass and Mike Cali. Henry's daughters shot in the program. Henry helped Chris with the Trap set-ups and Mike helped run some of the program. All the youth that participated in the shotgun program were from the Central Square School District. Great job kids!

**Archery League**

The summer archery league is underway. There are currently fourteen participants. The league will go for ten weeks.

Trap League

The summer trap league is going well. Home shoots during the month of May were well attended. After having league shoots away during the month of June, there will be more home shoots coming up in July and August!

Dues Increase

All members are advised that club membership dues will increase by \$20, beginning in January 2014.

Quick Notes
