
NORTH SPORTSMAN'S CLUB

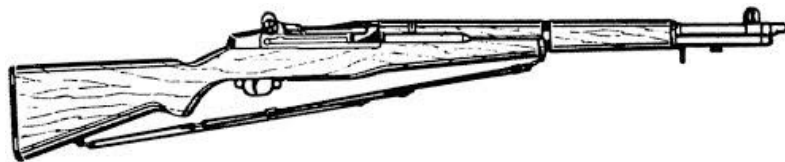

From The President

Greetings to all, they say we've turned the corner on winter. When I look outside, I find that hard to believe, but spring is definitely coming.

Things have been relatively quiet at the club primarily due to ammo shortages I would imagine. We are able to keep the range open thanks to a new trac-driven snowblower we recently purchased. Hopefully things will get better soon.

The Winter Trap League is shooting on Saturdays, and we hope to have the High School League in the spring. Our membership continues to be strong with over 400 members.

Hopefully all of you are well and keeping warm. Keep looking for that first spring robin.

New member orientations are held on the 2nd and 4th Saturdays each month at **10 AM sharp**. Please pass the word to any prospective members, or stop by if you'd like a quick refresher to re-acquaint yourself with the latest club facilities.

Club Officers
