

NORTH SPORTSMAN'S CLUB

From the President

Greeting to all,

There has been alot going on since last newsletter, not all of it is good news. Unfortunately, we recently had a burglary at our club. At about 3:00 AM 3 individuals entered the range house and stole about \$1000.00 worth of equipment (rifle rests, spotting scopes etc.) They also entered the main clubhouse and stole petty cash and food items. The really unfortunatate part of this is that the burglars did not break the locks to enter, THEY HAD THE COMBINATION TO THE DOORS-- which would certainly indicate at least one of them is a club member.

The New York State Police are investigating the case. We do have video tape of the incident and have supplied it to them. We have made some changes as a result of this incident. The lights in the range house are now on motion switches, The upper gate is now a lock and chain and motion sensor lights have been added outside. Please remember to lock the doors and gates when you leave.

Now for some better news, The High School Trap Team has 16 shooters enrolled and are shooting weekly.

From the President (continued)

Jaime and Ken Humez are offering a summer trap shooting opportunity for youth and adults on alternate Mondays May 1st to August 21st. Cost of birds is \$4.00 for youth and \$5.00 for adults. We recently stocked up on birds and we now have a total of 9 pallets in the barn.

Membership numbers are strong with renewals coming in daily.

The maintenance crew has been busy prepping the equipment and upgrading the lights and signs.

The rifle range activity has been spotty due to the weather.

Rick Riostirado has resigned from Sgt. At Arms and Ken Humez has taken over this position. Mary Chovan has rejoined the board of directors to take Ken's place. Thanks to Rick for his years of service to the club and to Ken and Mary for accepting their new positions.
