

NORTH SPORTSMAN'S CLUB

Hello!

Fall has arrived, the range is busy, and we've gained several new members! We are currently 417 members strong and likely to grow even more this season.

We have an opening in our board of directors so nominations are being taken at this time for a final vote at the December meeting.

The 3D archery targets have been put away for the winter.

Many thanks to Bill Burnell who saved the club a LOT of money recently by volunteering to fix our tractor, in lieu of taking it in for service. He took the time needed to find and fix the problem-- a dedication that seems rare these days!

2017 Dues

According to our bylaws, all members who have renewed their membership dues on time (must be paid BEFORE March 1st) for the prior 5 years are "vested" and have stake in the assets of the club.

Enclosed with this newsletter please find, complete and return **BOTH sides of the renewal forms** to keep your information up to date. Please renew on time to maintain your benefit and keep the club strong-- thanks!

New member orientations are held on the 2nd and 4th Saturdays each month from 9 AM - Noon or by appointment. Please pass the word to any prospective members, or stop by at these times if you'd like a quick refresher to re-acquaint yourself with the latest club facilities.

Daily Drawing Payouts NYSCC

Club Treasurer Gene Pierson reports the payouts for the month of August were \$610.00 with total sales of \$700.00. That amounts to 140 tickets sold out of 1000.

We had 9 - \$50.00 winners and 16 - \$10.00 winners.

Profit from sales was \$90.00. This was not one of our best months for the club but a great month for you, the members.

Congratulations to the winners and thanks to everyone who purchased the tickets. Profits from tickets goes toward publishing our bi-monthly newsletter.

Winter Trap League Starts Saturday January 7

Come out to join us! It's a great excuse to get out of the house and have some fun with friends, and make new ones!

We'll continue to practice on Sundays as weather and schedule allow-- watch your email for availability.

Also be sure to ask for discount coupons available to members for practice rounds.

The New York State Conservation Council is taking applications for committee members. This is a great way to stay abreast of current issues affecting sportsmen state wide and voice any concerns in a productive way that will aid our state representatives in making prudent informed decisions in Albany.

The NYSCC is currently assisting a petition drive for "Access the Adirondacks" -- a group dedicated toward providing fair and reasonable public access to state lands.
