

# NORTH SPORTSMAN'S CLUB

## Hello!

Hope your summer was safe and fun. As we progress into the "busy season" at the club here are some items to note:

We are again offering a **Public "sight in day"** scheduled **October 8 from 10 AM to 2 PM**. There is a \$5 fee for for non members -- current members of course are free.

RSOs will be on hand with bore sights and expertise to aid sighting in rifles in preparation for hunting season. If you have friends who are not club members but would like to take advantage of our ranges, spread the word.

Please be considerate when utilizing the range facilities. Don't "camp out" for long periods of time on a bench when you won't actually be shooting-- especially if others are waiting to use a bench. There is always a rush to use the benches in the Fall so plan accordingly as hunting season nears.

Also **please pick up your spent brass and shell casings**. Brooms and dust bins are easily accessible and are there to be used.

## Reminder:

**New member orientations** are held on the **2nd and 4th Saturdays each month** from 9 AM - Noon or by appointment. Please pass the word to any prospective members, or stop by at these times if you'd like a quick refresher to re-acquaint yourself with the latest club facilities.

**The Federation**

The Oswego County Federation Of Sportsmen's Clubs meeting is Thursday September 8 at 7 PM at our club.

The Federation helps to track issues of concern to sportsmens clubs in our area. These include conservation issues, environmental impact concerns, legal and legislative actions which impact our ability to hunt, fish and enjoy the outdoors. Committees are formed and issues are tracked and communicated to representatives in Albany and Washington with help from the federation volunteers.

We send club delegates to the monthly Federation meetings but all are welcome to attend. Meeting locations rotate among federation member clubs throughout the area but the September meeting will be held at our club. Feel free to stop by.

Also the Federation web site has gotten a makeover and is a great resource for outdoor enthusiasts. Check it out:

**Open House Cancelled**

The planned club open house has been cancelled due to lack of participation.

We realize summer is a busy time for folks and often it is tough to volunteer time when you're spread thin with other activities, so we'll try again in the future if interest increases.

We're proud to have a nice club and it surely deserves such an exhibition.

**For Online Members:**

Did you know you can view club meeting minutes on line? There is a running list of recent meetings accessible at the bottom of the "About Us" section of the web site.

Here is a direct link to the meeting minutes in PDF form if you 'd like to see what we do at the monthly meetings:
