

# NORTH SPORTSMAN'S CLUB

## Hello!

As we now seem to get some drier weather, our friends to the south are suffering from Harvey. Thoughts and prayers to the victims and Red Cross donations are appreciated.

It is starting to feel like Fall-- our "busy season" at the club.

We are offering a Public "sight in day" September 23 from 10 AM to 2 PM. There is a \$5 fee for for non members -- current members of course are free.

RSOs will be on hand with bore sights and expertise to aid sighting in rifles in preparation for hunting season. If you have friends who are not club members but would like to take advantage of our ranges, spread the word. Also see our guest policy later in this newsletter.

Please be considerate when utilizing the range facilities-- don't "camp out" for long periods of time on a bench when you won't actually be shooting-- especially if others are waiting. There is always a rush to use the range in the Fall so plan accordingly as hunting season nears.

**Also please do not shoot centerfire rifles on the pistol range, and pick up your spent brass and shell casings.** Brooms and dust bins are available for this purpose.

**New member orientations** are held on the 2nd and 4th Saturdays each month from 9 AM - Noon or by appointment. Please pass the word to any prospective members, or stop by at these times if you'd like a quick refresher to re-acquaint yourself with the latest club facilities.
