## From the President

Greeting to all,

Fall is fast approaching and hunting season isn't far away. Things are picking up at the ranges.

Adult trap season has closed and we had another successful year. The high school trap season has also ended. Our team shot in the state championships and placed third in their division. We will be starting a fall team soon.

We conducted two 4-H rifle programs with a total of 28 shooters.

The club is in need of volunteers to maintain the grounds. Presently we have about 4 members doing all the maintenance and our average age is over 70 years old. We cannot continue to do all the work. If we are unable to recruit some help, we will be forced to contract the work out. If you have an interest in helping, please e-mail the club with your contact information and we will contact you. We need help with lawn mowing and some general clean up.

Thank you in advance for any help you can offer.
