

Membership meeting 11-12-18

Call to Order 7:30 pm Pledge led by J. Hudson

Roll call of Officers: Absent: Greg Jones, Jamie Humez, Ken Humez, Walt Ellemaker

October minutes unavailable, to be read at next meeting.

Treasurer Report read and posted. No questions from membership

Dave Shaffer has an appointment Tuesday with the High School about allowing the Trap Team to have an informational table at the school. There are 70 school teams in NY and there is a proposal to start college teams.

The Club winter trap league starts the first Sat. in January. We should have enough birds for the league.

The price of birds has gone up \$ 1.05 per box. Pathfinder Club has agreed to sell us birds at the old price for now because they have inventory they bought before the increase.

Howard Tafel said that other Clubs are all charging at least \$ 4.00 per round, and we are at \$3.00. Dave agreed that we need to consider raising our rate to \$ 4.00

Dave also proposed looking into finding someone to clean the clubhouse once a week for the months of April thru September.

B&G We need a new battery for the gate opener, will wait until spring. Also need to install door closers on the Clubhouse and Range doors at \$ 59.00 each.

Nominations: There are no new nominations at this time. Current nominees are:

Bill Burnell, Jerry Bunting, Ken Humez, John Knittle, Howard Tafel.

Jerry Bunting makes a motion that the 6 meeting attendance requirement be waived for this election, Seconded by Dean Meyers , approved.

Meeting Adjourned at 8:00 p.m.

Membership meeting 7-9-18

Pledge lead at 7:29

Absent:

Minutes read for May and June all accept

Financial report read

Membership report: currently 395 members signed up still 110 that have not rejoined

Presidents report:

Trap report: The trap team is going well we have been shooting very competitive against larger teams. The trap team was able to turn in \$1081 to Gene. We did go and get the birds we have already went through one pallet of birds. The amount of shooting has increased. We have been averaging 30 shooters.

Archery report: none

Buildings and grounds: We are still waiting for fittings to finish hooking up the dump trailer.

Rifle and pistol committee: It seems to be up and down with the amount of shooting and we are continuing to do orientations. We have 20 people signed up for the upcoming bow course. We will be starting the 4h youth shooting course this upcoming Thursday for the next 5 weeks.

Communication report: We now have a direct link for the bow course online. Joe will send out a advertisement about the youth 4H shooting program.

Old business: Sue went through the membership looking at what people signed up for on their applications. We have yet to send out a letter or survey for what people would like to volunteer for and what needs to be done around the club.

New business: Gene received a propane renewal contract and even though the price has gone up the quoted price is well below the state average and the board decided to go with this option. We have the credit application for Vellas to open an account there for the club to purchase goods.

Good and well fair of club: We have reached out to Bill Benedict due to him being in loretto.

50/50 winner: Gerry Bunting

Meeting adjourned at 7:53

Membership meeting 5-14-18

Pledge lead at 7:33

Absent: None

Minutes read all accept

Financial report read

Membership report: 380 current and 118 that have yet to renew.

Presidents report: 4H contacted John and pushed the course back until mid May. John offered the RSO course and the club now has some new RSO's. The boy scouts will be here on memorial day weekend to install new targets on the rifle range.

Trap report: Dave would like to thank everyone who showed up for the clean up day. The trap team is shooting very competitively and the youth are starting to shoot really good and Dave would like to thank everyone who has helped. We will have to buy more birds due to the increased amount of shooting. We will be pursuing a grant for new trap machines and birds to offset the cost of the shooting league. We had the raffle fundraiser for a bt-99 and Ken Humez won the gun.

Archery report: We will need \$575 worth of targets replaced. Walt Ellmaker makes the motion seconded by John Knittel and all approve.

Buildings and grounds: Lots of mower openings. The dump trailer is almost complete.

Rifle and pistol committee: Few people continuing to shoot and we have the upcoming project for the targets on the rifle range with the boy scouts. The upcoming hunters education course is full.

Communication report: none

Old business: We are looking to get rid of all the remaining railroad ties.

New business: We need to buy birds 724.50 a pallet and we went through 4 pallets in a month and a half and Dave is looking to purchase another 4 pallets. Nick will look into talking to Urb Werner on a price of birds. Bill will remove the subfloor in the pole barn before buying the new birds. Walt Ellmaker makes a motion for up to \$300 for a pallet jack Nick Renalli seconds, all approve. Ken Humez will take care of it. Ken Humez would like to put together a survey committee for projects and building assessments. We need to put out a survey for what people would like to see for projects around the club. The trap team will start doing 50/50 raffles at the home shoots. Dave brings up the possibility of having a sportsmans night out at the legion in central square to raise money for the club. John Knittel recommends a start with a question in the newsletter about involvement in the club.

Good and well fair of club:

50/50 winner: Sue Shaffer wins

Meeting adjourned at 8:21

Membership report: 40 new 324 renewal 364 current 11 life

Presidents report: The youth trap league has ten participants and they are beginning to practice. Some of the youth will start to shoot on Tuesday nights. John would like to thank everyone for their help to keep everything running.

Trap report: Dave would like to thank Eric and the federation for donating \$100 to the youth trap team. The winter league is wrapping up and their banquet will be this weekend and Dave asks that it be trap league members only. The cost of birds is going up and Dave would like to bump the cost of trap up to \$3 a round for members and \$4 a round for non members.

Archery report:

Buildings and grounds: We now have a chainsaw and the gate will be up and running this week.

Rifle and pistol committee: People are still shooting and we are performing orientations.

Communication report: We need submissions for the next newsletter by April 30th

Federation report: The Federation banquet will be this weekend at green view country club. The envirothon will be coming up soon.

Old business: There is no new news on the scholarship fund

New business: In the past we have donated a membership to the federation banquet Dean Myers made a motion to donate the membership, Walt Ellmaker seconds all approve. Walt Ellmaker Makes a motion seconded by Eric Madura for up to \$2000 for a utility wagon/trailer with a hydraulic lift all approve. Ken Humez makes a motion Mike Puten to purchase a gas grill for up to \$200, all approve. Chris Nutter will no longer be able to serve on the board and the board will appoint Jerry Bunting to the Board of directors. Youth rifle will start in May. John will reschedule the range safety officer course. North shore ducks unlimited gun raffle tickets will be posted on the board.

Good and well fair of club: Bill Benedict is at the hospital and Dave will take care of sending him a card.

Presidents report:

Trap report: Winter trap league is going very well averaging 20-24 shooters with the upcoming hunters safety course we will push the banquet back. The youth trap league is going very well currently we have 10 shooters. Dave has a special thanks to Jeff Purdy and the Humez family for all their help with getting the league going. The funds for the youth league will be self supporting and has its own bank account set up at pathfinder. We are very happy with the direction this is headed. The summer league will be starting the 17th and the first shoot will be against south shore. a reminder for the rifle range please do not go past the 200 yard target on Tuesday nights. Special thanks to Debbie Myers for all the help with the league and stepping up to be the trap captain for the league meetings.

Archery report: none

Buildings and grounds: Mowing weather is coming up and the gate combinations will be updated soon.

Rifle and pistol committee: We have some targets to fix on the range when the weather changes and shooters continue to show up.

Communication report: The website is updated with direct links to the hunters safety courses. We had a problem with the newsletters and we sent out a couple duplicate newsletters

Federation Report: The federation banquet is coming up. There is a state of the lake for lake Ontario Thursday 15th 6:30-9:00 at Pulaski high school. 1.5 miles of town land along the salmon river has been transferred to state land. The walleye take on the lake Ontario was a record this year.

Old business: Toad harbor will talk about the scholarship fund changes this week.

New business: Anymore fundraisers discussed for the youth trap league. The ladies that cook for us are willing to cook for the trap league again. Ken Humez makes a motion, Dean Myers seconds and all approve. It would be a good idea for the club to have a chain saw : Walt Ellmaker makes a motion to spend up to \$250 on a chain saw, seconded by Greg Jones and all approve. The club will have a clean up day on April 28th. Oneida lake association meeting is may 2nd at Gillette rd middle school at 6:30.

President's report: Next month we will have meeting minutes for both April and May. During the recent work day we replaced both toilets in the club house and did maintenance on the club grounds. The electrical issues have been addressed in the range house. The youth rifle league has started and the pistol bay will be closed on Thursday nights to allow them to shoot.

Trap report: We have had two shoots at home and everything is going well and we are seeking other clubs besides South Shore to buy birds.

Archery report: none

Buildings and grounds: We did not end up with the snowblower for the cub cadet. We will be changing the oil on the mower and spraying for weeds. We could have the opportunity to buy a 6 foot roller for \$450-\$500 to roll the lawn. Walt Ellmaker makes a motion to buy the roller for \$500 plus tax seconded by Chris Nutter all approve.

Rifle and pistol committee: everything is going well and we will have an upcoming bow course and gun course.

Communication report: none

Old business: The gun raffle is going and if you buy 5 you get a ticket free or if you sell 10 tickets you get a ticket for free. Everyone should have received a ticket in their newsletter: please buy or sell the ticket. Federation report the crossbow bill will be going to legislature. There will be a youth trap shoot June 10th and they are looking for volunteers. ATA state shoots is this coming week at Bridgeport. The boy scouts did not have the campout due to weather. We will have a meeting with the boy scout troop due to events.

New business: We have a quote for liability insurance originally there was a 30% increase. Gene was able to get it down to 17% increase. We have the dues renewal to NRA we will switch the magazine subscription to American hunter. John renewed our membership with CMP. We have researched starting a youth trap league at the club through the school name the program. It will be at no cost to the club and we will be scheduling to have a meeting with the school. The federation is looking for a donation to a child with critical illness fishing event on June 16th. Walt Ellmaker makes a motion to donate \$250 to the fishing event seconded by Mike putman and all approve. John brings up quotes for tractors and they have priced out a tractor for \$15,000. There has been discussion and someone will contact the dealer for further questions. Walt Ellmaker makes a motion to purchase the Emax tractor at the presented quote seconded by Chris Nutter. Vote taken: 14 for it 2 opposed.

Archery report: none

Buildings and grounds: The gates are locked open. We might have a two stage snowblower for the cub cadet that we might purchase to use on the range. John Knittel makes a motion to purchase the snowblower for \$250 seconded by Chris Nutter and all approve.

Rifle and pistol committee: There have been members using spinning targets on the range and we would like to remind everyone that spinning targets are not allowed.

Communication report: Newsletter submissions are needed by December 26th to make the next newsletter.

Old business: Rick is preparing cost analysis and more information for the women on the range NRA course and there will be a presentation at the next meeting.

New business: Comment from the membership that if the funds are provided can we buy some chairs that are more comfortable for the meetings. Chris Nutter makes a motion to scrap the extra metal at the club and donate to the central square rifle club seconded by Walt Ellmaker and all approve.

Good and well fair of club: None

50/50 winner: John Knittel and he donated it the central square rifle team

Meeting adjourned at 8:18

Membership meeting 11-14-16

Pledge lead at 7:27

Absent: John Knittel

Minutes read all accepted, Financial report read

Membership report: current members 428 members 118 new for the year and 40 renewals for 2017 so far.

Presidents report: We will continue the one practice day a weekend and we will also have a winter trap league and more details will be released soon.

Trap report: none

Archery report: none

Buildings and grounds: We will be leaving the gate open soon for the snow plows to have access. The gate will be locked in the open position for the winter.

Rifle and pistol committee: The range is going well we are still having issues with members shooting birdshot on the ranges. The staple guns seem to not be working on the ranges and we will be replacing them soon.

Communication report: Joe continues to send out emails with information. Joe would like to remind everyone to let him know if they are not receiving emails and he will make sure their email is on the list.

Old business: none

New business: John placed some petitions from the federation on the table in the club house. He will also place some information about changing of the fresh water fishing rules regulations on the board. The federation delegates for 2017 will be Chris Nutter and John Geis. Dave Shaffer brings up some recent issues with the trash pickup service and we will research some other possible services. Rick is here to talk about women on the range and offer an NRA program to teach women basic firearm skills. We will look into putting together a committee to schedule these events. We will possibly have a work party the Friday after thanksgiving to drill and spike rail road ties and to change out all the target boards on the range. We usually do a wild game dinner the Saturday in between Christmas and new years but we will not be hosting this due to holiday conflicts. We have been asked if we would like to sponsor/participate in a high school trap shooting program.

Membership report: 416 current members

President's report: The club has been seeing several improvements to the club and John would like to thank everyone who helps out to make the club what it is. We will be replacing the target backstops on the range due to normal wear.

Trap report: Trap is going good and we are still shooting at this time Steve and Deb are volunteering to start hosting practice one day a weekend. Dave attended the CNY trap meeting some notes are that juniors and sub juniors will not have to pay a registration fee and the league voted on buying new computers to use instead of personal equipment.

Archery report: The 3d targets have been pulled 3 of the 5 bags on the range have been replaced and others have been repacked. We will end up pulling the bags for the range to prevent unnecessary wear. This will be the last year of the 3d archery league this year they will push membership this year and in the future still provide assistance to the 3d shooters.

Buildings and grounds: We did not end up painting the club house due to weather and Bill fixed the lawn mower after several hours of labor to trouble shoot with the help of a volunteer that we will donate a membership too for helping with mechanical work.

Rifle and pistol committee: The sight in day was this past weekend and it was a success with a lot of shooters.

Communication report: The deadline for the next newsletter will be oct 24th if anyone has anything that they would like to see in there.

Old business: none

New business: We have had a resignation from the board and we will need to fill that spot until the December meeting for elections. Bill Steding and Ken Humez have expressed interest and the board will make a decision after the meeting

Good and well fair of club: none

50/50 winner: Fitz \$27 donated back to the club.

Nominations for the board : Chris Nutter, Greg Jones, John Knittel, Bill Burnell, Ken Humez

Meeting adjourned at 7:55

After the meeting the board agreed to have Bill Steding be appointed to the board.

Membership meeting 9-12-16

Membership report 404 current members, 9 life, 298 renewals, 97 new members.

Presidents report: The trap walkways are paved and the metal siding outside has received a coat of paint. We extended the rifle range parking lot and we are going to do some more improvements to the parking lot. We received a certificate of appreciation from the air national guard for letting them use our range.

Trap report: The club was able to win the last match of the year and the top shooter for the year was Greg Dudzinski, most improved John Geiss, High lady was Deb Myers, High junior was Zach Humez who also won high junior for the north. The trap fields have been paved and we will let them settle for the rest of the week until we move any equipment on them.

Archery report: none

Buildings and grounds The outside metal siding has been painted and we are looking for volunteers to paint outside of the club house. We will be doing this on the same day as the sight in day on October 8th.

Rifle and pistol committee Everything is going well and the orientations are going well.

Communication report: Pictures from the trap banquet will be posted. The orientation dates are posted on the applications.

Old business There is a old tree which has fallen on the edge of the trap field and if any members of the club need firewood they are welcome to take it. The federation is hosting a youth pheasant shoot on October 1st and 2nd held by the CANY.

New business: We have received the proposal for snow plowing and the price has not changed. Walt Ellmaker makes a motion seconded by Joe Chovan and all approve. There is going to be an opportunity to purchase an all-terrain fork truck. Greg Jones makes a motion to authorize a purchase of up to \$2000 for the all-terrain fork lift seconded by Walt Ellmaker and all approve. In December there will be an election for board of directors and we will start open nominations next month.

Membership report 395 current members

Presidents report: We have tried to have a sportsmans open house day for the club and due to lack of members volunteering we will postpone the open house. After talking in the board meeting we will host a gun raffle for the club through the month of march. Jim Lybolt has passed away and the services will be the 10th. Dave Schaffer will have flowers sent on the clubs behalf. There will be a memorial service the 20th here at the club for Jim. The club will be having an open sight in day October 8th 10-2.

Trap report: The trap team is doing well and continuing shooting and the Sunday shooting will resume on 8/13/16.

Archery report: continuing to shoot the youth league.

Buildings and grounds: There is a quote to redo the parking lot at the rifle and pistol range Walt Ellmaker makes a motion to allow the full \$500 to redo the parking lot instead of the previously allowed \$400 seconded by Greg Jones all approve. The game camera is now on the gate. There is a new filing cabinet at the range and next week the monitor for the rife range will be hooked up.

Rifle and pistol committee: The Orientation courses need to be publicized better to ensure all new members are aware of the new orientations.

Communication report: The deadline for the next newsletter submission is August 29th.

Old business none

New business: The snow plowing company has proposed to pave the trap field for all the areas that are currently road grindings. The objective to doing this is to make the trap field handicap accessible for handicap shooters. The price of this is \$4000 to pave the trap field motion made by Chris Nutter seconded by Walt Ellmaker all approve. The Federation meeting is September 8th 7:00pm at our club.

Good and well fair of club: Passing of Jim Lyboldt Flowers will be sent.

Trap report: we had an open house open shoot Sunday afternoon and we had several new shooters come out to shoot. Many seem interested in shooting the league. Trap team is doing well

Archery report reminder that if you are shooting the 3d course to put up the flags

Buildings and grounds everything is going good gate is working well we are looking for volunteers for cleaning the house and painting it.

Rifle and pistol committee The range is still remaining to be busy and the RSO's are on the new orientation schedule for new members.

Communication report The newsletter has been sent out and the email server has been updated we have been trying to keep everyone informed through the email server.

Old business It looks like we will hold off on installing a whole camera system and John Hudson is going to purchase a game camera to put on the gate.

New business Gene received a prepaid fixed plan from Mirabito for gas. Gene proposes we continue the prepaid plan all approve. Henry measured the trap field and the trap field is higher than it should be. House one the trap house is in need of repair and the height issue will be corrected when the repair to house one is done. The fix for this issue is to lower the trap house. The trap field fingers and paths will continue to be redone with new concrete the end of august.

Membership report Total members 365 new 68.

Presidents report 6/14/ is the final night for the 4h shoot we had 7 shooters and they will have their final shoot and learn different aspects of the club. We will probably run a second 4h program throughout the summer for anyone who could not participate in the first one. We will have a meeting for the open house on Wednesday.

Trap report Trap team is going well we will have the six pallets of birds this week. The price of birds has dropped per case. The lights on the trap field are fixed and wired appropriately. The trap fields will likely be done in August.

Archery report none

Buildings and grounds We will look into fixing the gate tomorrow and we have received the sprayer for the weeds. It has been discussed that we should look into lights with a timer switch for the pistol bay expansion.

Rifle and pistol committee we are in the process of installing new pvc in the ground for the targets on the pistol bay. We will start doing orientations on the 2nd and 4th Saturdays of the month from 9am to 12 am.

Communication report newsletter submission deadline June 27th also received an email from Chuck Parker about legislation that they have opinions and if anyone would like to see this they can contact Joe about.

Old business We will bring up the tabled motion of security cameras John Knittel will look into a plate reading camera and come up with a price for the whole package.

New business We have a representative from scope here to discuss the possibility of scope having information table at our open house with the vice president of their organization. We will look into having the security system hooked up so that it can be viewed from the monitor. We have recently received several compliments about the progress of our club. USSA is an organization that sponsors fishing events for special needs children. We have been contacted for some form of sponsorship they are looking for \$100. Walt Ellmaker makes a motion to donate \$250 to the USSA Chris Nutter seconded by all approve.

Membership report 28 new 267 total

President's report :The national guard has asked to use the range for three days to qualify prior to deployment. The RSO course will be held April 8th and 9th and a hotspot will be provided. The Cicero boyscout troop 116 will have a campout here april 16th and 17th to have a shooting sports weekend and will perform one hour of community service. The board has discussed and all approved. The range is staying busy every weekend and John would like to thank the trap team for doing a great job with their league and banquet.

Trap report: The winter trap league is finished and it was a great league and we will continue to shoot on Saturdays for the next couple weeks and next Saturday we will begin to have sign-ups for the Tuesday night league. Dave would like to purchase more birds and a few new speakers and send one of the boxes out for repair. Walt Ellmaker makes a motion to authorize a motion for birds and speakers, Chris Nutter seconds the motion all approve. Dave has contacted the ladies to cook for the league this summer and they are willing to come back again.

Archery report: They just finished their indoor league with the kids and pretty soon they will be inspecting their targets and preparing to shoot their summer league.

Buildings and grounds The water heater is in at the shooting range.

Rifle and pistol committee the range still remains busy and we are still doing orientations.

Communication report The photos from the banquet should be posted online.

Old business: For the open house John would like to get a committee together and possibly would like to do this on may 22nd 12-4 and possibly have the kitchen open that day or even a chicken bbq. John Hudson will be on the committee and will be in contact with Rep John Katko to have him present for that day and Linda Brosh from the 4h. Chris Nutter will contact Bill Wilber from the NWTF and Tom Lot for a walleye seminar. A representative from Top Stich is here to present possible options for apparel.

New business: Oswego county sportsman's federation will have their banquet along with the NWTF banquet coming up. The Oswego county sportsman's federation is looking for their involved clubs to donate to their raffles. John Knittel makes a motion to donate a one year membership and a embroidered shirt seconded all approve. We will be making a donation for for the Oswego county scholarship. John Knittel makes a motion to donate to the ducks unlimited banquet at ESF seconded my Mary Ann Kobos, all approve. Mary Ann would like to acknowledge all the effort put into the winter league and that it was a great event. Henry is bringing up that the rifle range parking lot was packed the last time that he was down there and we have previously had the merified to do this project he estimates that someone he knows someone who could do this project. Bill Benedict makes a motion to extend the parking lot seconded by Walt Ellmaker all approve.

Communication report: newsletter submissions by february 29th

Old business we had Jason here from topstitch to show some examples for potential shirts for the club. We have previously talked about redoing the trap field and increasing the width of fingers on the trap field for better accessibility and Dave would like to offer someone with concrete experience a year membership to come and help perform the job. Bill Steding makes a motion to give a two year membership in exchange for help with the concrete seconded by Bill Benedict. The water heater will be installed soon. The national guard was recently here and they donated a truck load of 2x4s for the range. John Knittel would like to start planning an open house for the club. John Knittel will chair the event and he will need representatives from each discipline at the club. Suggestion Remington used to have a traveling show trailer someone should contact them to see if there is a possibility of having that at the event. Another suggestion is to have congressman Katko present.

New business John Hudson will host an RSO training course during late march Friday night and Saturday. Work party will be on April 23rd and 24th start time 9:00 am and lunch will be provided. The new code for the gate this year will be changed. Bill Burnell will work on the gate to get it fixed. The trap houses will require calibration each year and will not need to be voted on. We are still doing the coupons for reduced rate trap for members only.

Membership report current 362, we are now in the pro rated time period for new members.

President's report: Gun raffle is over. Thank you to Greg Jones --that was a lot of work and we will profit from the drawing. We will talk about maintenance objects that need be purchased under new business.

Trap report: Attended the end of the year trap meeting we changed the start of the season to move the end date back as well. Bridgeport rod and gun club offered our club the opportunity to host the end of the year shoot. Dave spoke with all northern teams and there will be no drinking allowed prior to shooting. Dave would like to have signs made to for this matter. Dave has permission if he believes it is necessary to abolish alcohol on shooting nights.

Archery report

Buildings and grounds

Rifle and pistol committee: lots of people are sighting in for the upcoming season. We had few people for the public sight in day but we gained four new members. We need new lumber for target frames and new staplers.

Communication report

Old business we have talked about the rugs and we will be starting a grainger account in order to buy rugs and we will save a substantial amount on the rugs. With the grainger account we will purchase other maintenance materials. John spoke with someone to install roof cleats and they will be installed.

New business There is a new owner for a house on the corner and we will look into speaking to them about cutting back the brush so traffic can see our sign. John will purchase solar lights for the signs. We have looked into tractors and they look to be very pricy \$20000 to purchase what we need which is out of our price range. The spare power gate operator is missing and we will need a new one. We will look into purchasing a new one for the spring. We are looking to buy an automatic door closer for the range and clubhouse. Nominations for upcoming elections of executive board members
